About Us

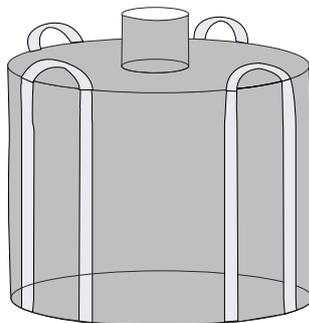

Dayanand FIBC is A reputable manufacturer of bulk bag, Conducting business as Industrial Bulk Bag Suppliers. Our flexible Immediate Bulk Containers (FIBCs), also referred to as bulk bags, are composed of flexible woven polypropylene and offer a cost-effective and effective way to package, store, and handle a variety of products. Our large industrial bags maximise storage capacity, lower transportation costs, and enhance flow control. We are dedicated to fostering strong, mutually beneficial relationships with our sizable clientele. International quality requirements are followed in the production of our bulk bags, and we encourage inspection of the production line.
